2010 MEMBERSHIP RENEWAL

Dear IGMA Member, Associate Member, or Church:

I pray that your fellowship with IGMA and its membership has been rewarding and enriching to your life and your ministry. It is time to renew your IGMA membership for 2010.

Participation and networking with others in music ministry through the IGMA is a wonderful resource for each of us as we seek to spread God's Word and to continue to grow and develop our talents. This year we had several new opportunities for our members, including a day at the Indiana State Fair. We look forward to another year together and all the ways God will use us, both collectively and individually.

February 23, 2009, the following amendment to the Bylaws of the Indiana Gospel Music Association was added:

Section 3: Membership

Paragraph F: Participation in IGMA sponsored Concerts and Events:

A member must have membership dues paid up-to-date and be actively attending meetings in the district of which he/she is a member to be considered for inclusion on concert and event programs, unless extenuating circumstances (work schedules, distance from meeting place, etc.) make it impossible for such attendance.

Remember, with your membership you receive opportunities for IGMA concerts & events and promotion of your ministry and schedule through the IGMA's website: <http://www.ingma.com>.

Please complete and mail your membership renewal by January 1. Your dues of \$25 per person allow you to list yourself or your ministry in multiple categories. Make checks payable to the *Indiana Gospel Music Association*. An addressed envelope is enclosed for your convenience.

If you have questions, please contact me at 317-823-4926 or Dar1958@aol.com
