His Voice Through Us
Indy District

The Indiana Gospel
Music Association

offers members
opportunities for
networking, fellow-

ship, friendship, professional
training and development, and
most importantly, spiritual en-
couragement. We realize how
critical it is for us to keep grow-
ing in our faith so that we may
be most effectively used in
reaching others with the Gospel
of Jesus Christ.

Our association includes:
vocalists (solo and groups),
instrumentalists, song writers,
technical supporters, and
